

LUXURY ON THE RIVER NILE

Discover five thousand years of Egyptian culture on a leisurely four or six night cruise. The Oberoi Philae offers spacious cabins and suites, fine international dining, personalised service, a spa and a temperature-controlled swimming pool. Explore the River Nile in unparalleled luxury.

The Oberoi Philae boasts a bright, expansive lobby, wide, sun-kissed decks, and luxury cabins and suites that range from 390 square feet (36 square metres) to 590 square feet (55 square metres). Because we know that space matters.

With just twenty-two cabins and suites, The Oberoi Philae guarantees space, privacy and utmost comfort. Our luxury cruiser is the only way to relax, unwind and enjoy a leisurely River Nile cruise.

Our two magnificent Luxury Suites feature a 325 square foot (30 square metre) private terrace with a heated whirlpool. The interior 590 square feet (55 square metres) includes a luxuriously appointed bedroom and living room with floor-to-ceiling windows, and a spacious bathroom with River Nile views.

Our spacious, elegant restaurant serves the finest Western, Indian, Asian and Middle Eastern cuisines, freshly prepared on board. Our top-deck, poolside restaurant serves lunchtime barbecues and light meals, while the bar serves classic and contemporary cocktails, fine single malts and international branded spirits. We also have a cigar lounge, a dancefloor and an in-house movie theatre.

The Oberoi Philae boasts spa therapy suites, where you can enjoy exclusive Oberoi therapies. We also have a fully equipped, 24-hour gymnasium, a unisex beauty salon and a temperature controlled, outdoor swimming pool with River Nile views.
